

PRO FORMA – the following is the minimum information that should be provided to Area Drug and Therapeutics Committee to seek approval for a new drug or indication

BUSINESS CASE FOR INTRODUCTION OF NEW DRUG/INDICATION

Drug Name
(FOR *indication*)

Background

Provide both the drug's approved and proprietary name, SMC decision and a protocol for its place in treatment.

Cost

Provide costs as per SMC and anticipated patient numbers. Non-drug costs should be included where relevant. The costs of any drugs being replaced should also be shown.

Net Financial Impact

Show the likely financial impact for NHS Dumfries and Galloway in Year 1 and Year 5. Indicate the service implications, if any.

Recommendation

Recommended place in therapy in NHS Dumfries and Galloway, with reasons if applicable.

Staff Involved

List staff involved in preparing the business case and give the date.
